

Junior Squad Calendar

This is the approved calendar for the junior squad. Please note the dates of the camps, regattas and the National qualification regatta.

The athletes selected from trials are required to undergo a FISA mandated medical assessment. This will be done with the SA team doctor, Dr Brittian. The date for these assessments will be finalised at a later stage, but they will take place between 11 May and 23 May.

All athletes will be given two weeks off after the national qualification regatta. Please ensure all appointments are made in these “off” times, as stated on the calendar.

All athletes will be required to sign an indemnity form for the camps. This will be sent out after trials.
